Mr. Robert Abboud  
President  
Village of Barrington Hills

Dear Bob,

The Barrington Area Chamber of Commerce Member Investors, Board of Directors, and Staff would like to express our heartfelt thanks to you for your participation in our 2012 Economic Summit.

The BACC Board set many goals for the Summit, and foremost we felt it was important for our business community to put the "face with the name" in identifying our local influential leaders in the nine (9) villages and four (4) counties the BACC serves.

Your candor in discussing the economic, environmental, population, and business issues as they relate to your village was very much appreciated by the members of the business community in our audience. The feedback we have received from this event has been very positive.

Bob, again, we appreciate the time you took from your busy schedule to participate in this event. We look forward to an equally successful event in 2013 as we again address *The State of the Region* on Tuesday, January 29, 2013.

Warmest Regards,

Janet Meyer, President/CEO  
Barrington Area Chamber of Commerce
